

Winter comforts crafted with a traditional touch

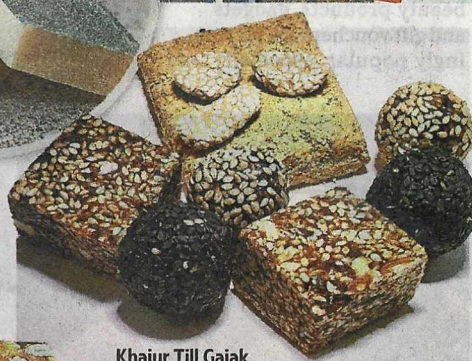

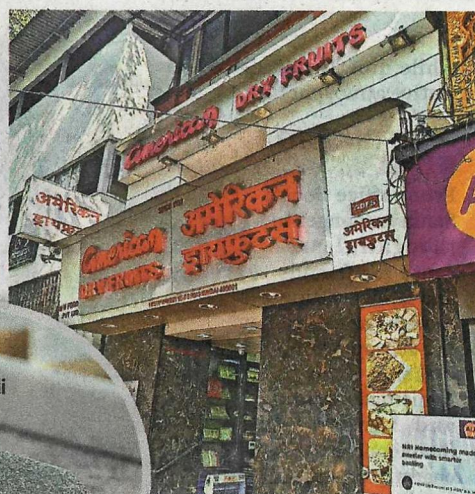

Pista Kunafa

As winter settles over the city, cravings shift toward treats that feel warm, wholesome and full of comfort. At American Dry Fruits (ADFS), the season arrives with a line-up of nutritious *mithai* crafted to fuel you through cooler days. The brand, now widely recognised as ADFS by the newer generation, carries its legacy forward with the same warmth and quality.

The Til Khajur Barfi blends roasted sesame with natural sweetness from dates, making it a delicious, energy-packed bite. Til Mawa brings together sesame and rich mawa for a classic winter treat. And the much-loved Gajjak from Jaipur offers that perfect crunchy snap that feels like winter in every piece. Alongside these seasonal delights, you'll also find Ameri-
